PLEASE REVIEW IT CAREFULLY.

This Notice is provided to you pursuant to the Health Insurance Portability and Accessibility Act of 1996 and its implementation regulations ("HIPAA"). It is designed to tell you how we may, under federal law, use or disclose your Health Information. It has been updated to the HITECH Omnibus Rule requirements.

I. Your Rights.

You have the right to request restrictions on the uses and disclosures of your Health Information. However, we are not required to comply with all requests. You are allowed to restrict transmittal of health care charges to your insurance carrier if you pay for those services, in full, by other means.

You have the right to receive your Health Information through confidential means and in a manner that is reasonably convenient for you and us.

You have the right to inspect and copy your Health Information. You may request your records in digital format and have your records sent digitally to another provider with written authorization.

You have a right to request that we amend your Health Information that is incorrect or incomplete. We are not required to change your Health Information and will provide you with information about our denial and how you can disagree with the denial.
